COMPANY PROFILE

“Letter of Introduction”

We, **Khonaini International Company**, herewith wish to introduce our organization.

Based in Jubail, we started our business activities in 1978 and have since expanded and diversified in a broad range of activities to become one of the leading trading and contracting companies in the Eastern Province of Saudi Arabia.

Jointly owned and managed by **Mr. Ahmed Hamad Khonaini, Mr. Mohammed Hamad Khonaini, Mr. Abdul Aziz Hamad Khonaini and Mr. Mohammed Sulaiman Khonaini**, we successfully developed a group of companies with a variety of services offered.

At present, we serve many prestigious clients and execute major contracts all over the Kingdom. We are confident for the future and with reason: vast experience and high motivation have been proven to lead to great success.

Please find hereunder a breakdown of the various fields in which we operate:

Enclosed please find some relevant company information, which may allow you to evaluate our organization in more depth.

We shall be pleased, if you would enable us to discuss with you in detail your possible requirements.

KHONAINI INTERNATIONAL COMPANY

Jubail - Saudi Arabia

ENGINEERING, PROCUREMENT & CONSTRUCTION DIVISION

Khonaini International Company “KIC” is a reputed Engineering, Procurement and Construction (EPC) Company headquartered in Jubail, Saudi Arabia.

We honed our skills in the construction of Infrastructure and Housing Construction as the turnkey EPC Contracts. Al-Khonaini Company carries out construction projects ranging from large scale site development / infrastructure projects; road and earth works, electrical works, mechanical works, telecommunication works to medium weight civil engineering projects; and residential housing construction projects.

Large numbers of Housing Projects, Residential Compounds, Multi-storey Apartment Buildings, Commercial & Institutional Complexes, and Site Development/Infrastructure Projects have been completed

Our customers/clients can rely on our skilled, engineering team; large equipment bank of the latest construction equipments and our talent for scouting the globe to procure the best materials and equipment at competitive prices.

Khonaini International Company is knowledgeable in a broad range of respective fields of expertise. Because of the professional needs associated with projects and construction management, we are uniquely positioned to meet and exceed our client's expectations. Our client's schedule and budget goals guide the decision-making process. All projects, regardless of scope or scale, commence with responsive analysis, followed by the use of appropriately chosen, field-proven project management techniques to ensure project delivery success.

The KIC Project Management Team assumes primary responsibility for the project and coordinates the efforts of the technical staff, and the carefully selected consultants. As soon as the project concept is formulated by the client, we will aid in site evaluation, planning, project programming, design concepts, construction and close-out of the project.

KHONAINI INTERNATIONAL COMPANY

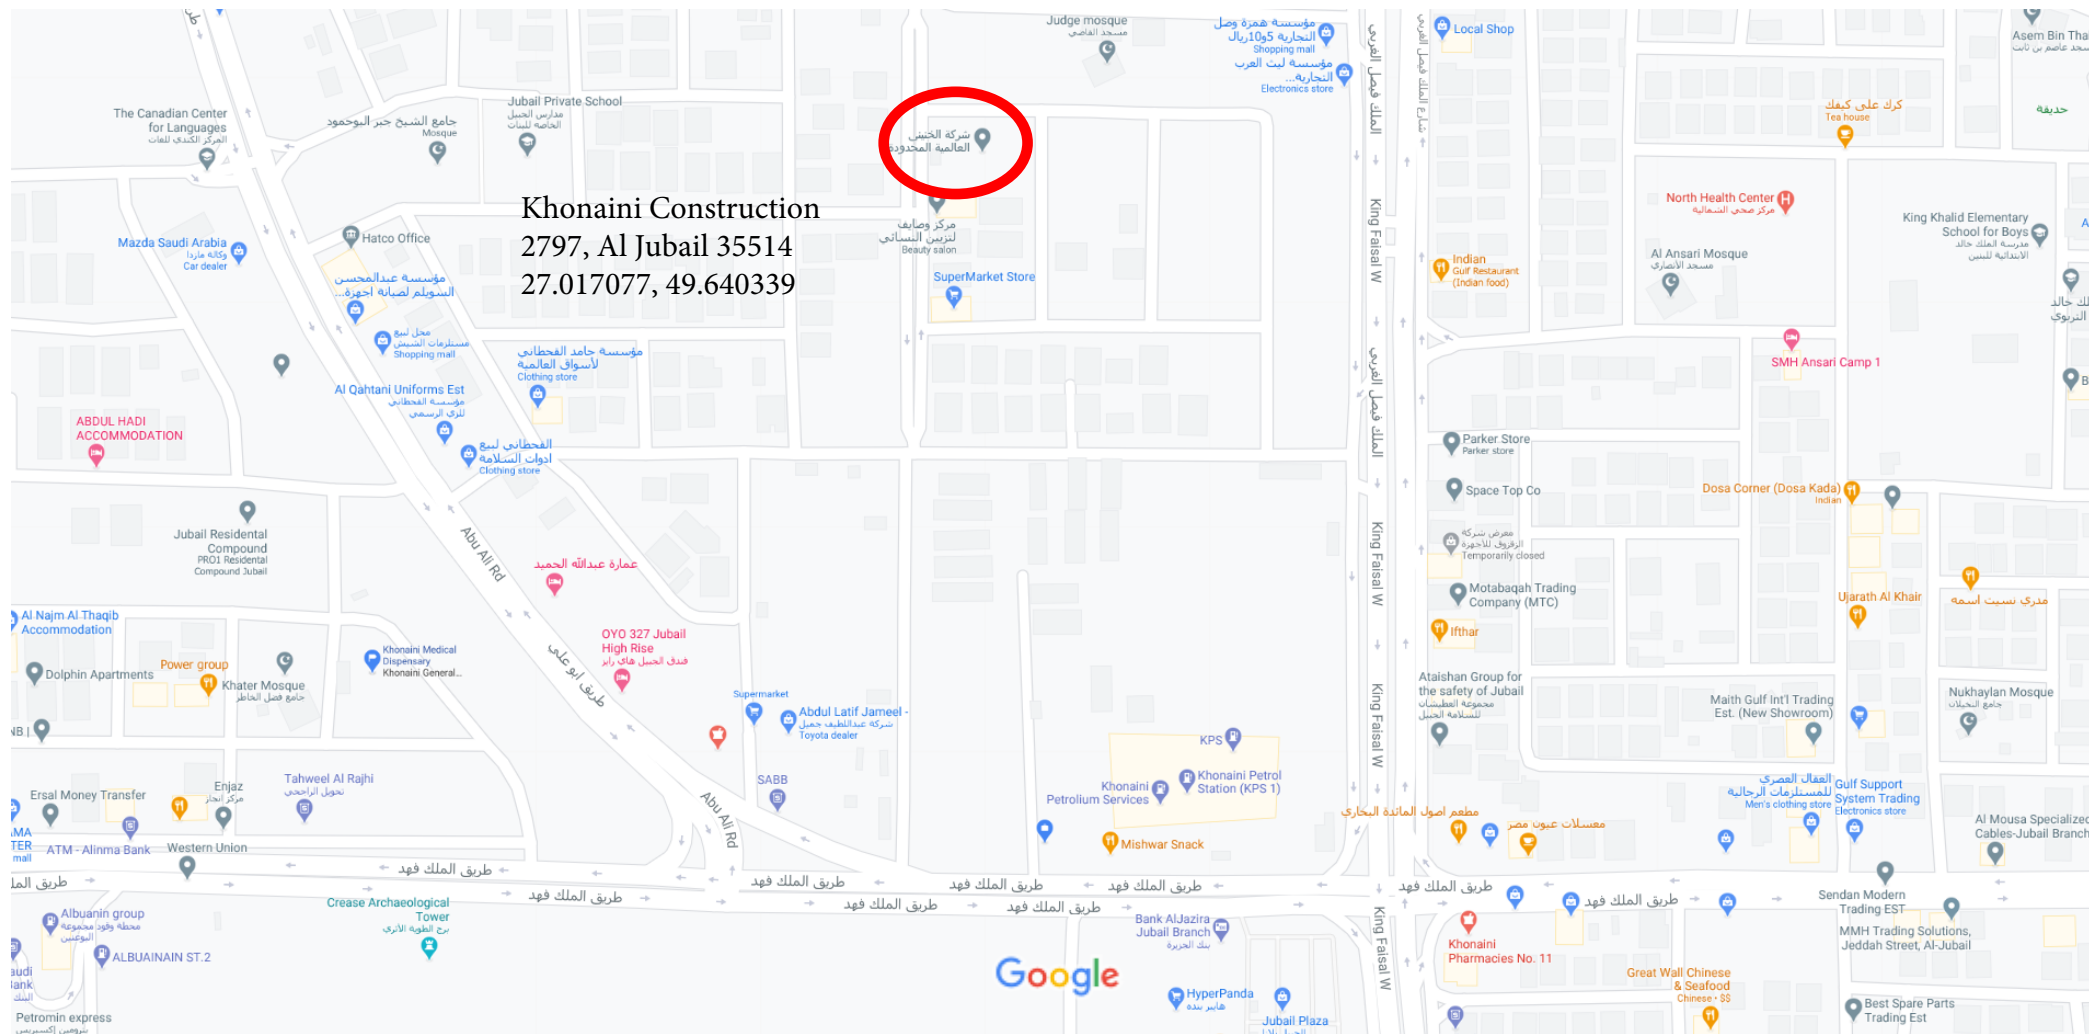

Jubail - Saudi Arabia

Construction division is sub-divided to various departments to serve our clients in highly professional manner as follows:

- Engineering Department, staffed with qualified engineers of all discipline, equipped with latest engineering facilities to provide all technical support to the construction project.
- Procurement & Logistic Department, staffed with self-motivated long experienced staff to support construction requirements.
- Plants & Equipment Department, adequate number of plants and equipment's to provide all machinery requirements to the construction projects.
- Project Execution Department, staffed with experienced field engineers, highly skilled craftsmen and workers equipped with all necessary tools, mobile offices, storage and all required construction facilities to complete the construction projects within the designated time table.

JCP Readymix Concrete

(Fully owned by: Khonaini International Company)

JCP Ready-mix specializes in the production and supply of ready-mixed concrete. This is provided to customers either through a network of fixed commercial outlets, or by project-specific on-site batching plants which provide customers with a dedicated facility.

Our modern, well-maintained Batching Plants, mixer trucks and concrete pumps, along with the careful attention we pay to scheduling and dispatching, ensure that the highest quality product is delivered on time.

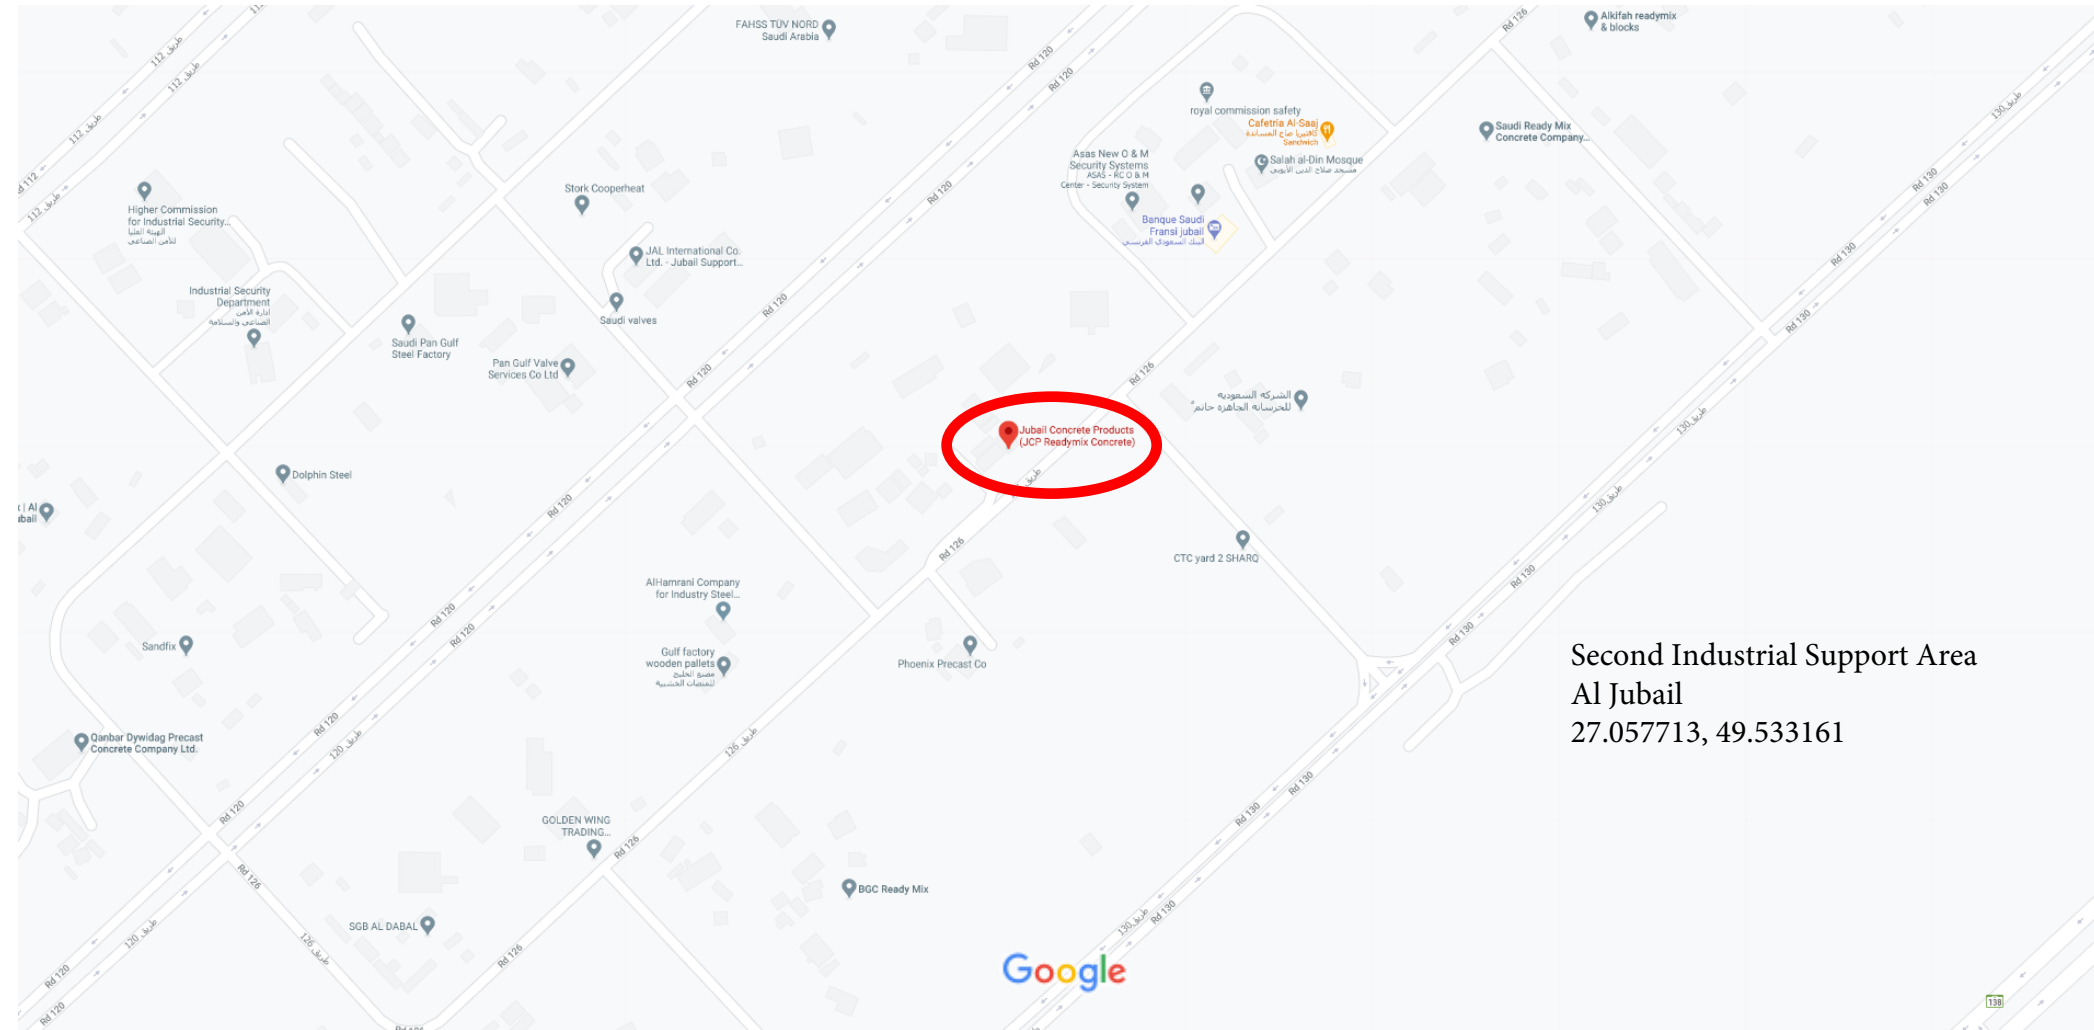

We have our own full-time, quality-control department that tests our products continuously. Our certified technicians ensure that only the highest quality ready-mix reaches your site.

JCP Concrete serves commercial and residential markets with a full range of ready-mix products.

Ready-Mix Products:

- 2500 psi ready-mix concrete
- 3000 psi ready-mix concrete
- 3500 psi ready-mix concrete
- 4000 psi ready-mix concrete
- 4500 psi ready-mix concrete
- 5000 psi ready-mix concrete

JCP Precast Concrete Plant

(Fully owned by: Khonaini International Company)

JCP Precast a division of **Khonaini Int'l Co.** is one of the leading manufacturers of Precast and Pre-stressed concrete components, and Hollow core Slabs products, post tensioned concrete and turn key projects in the Kingdom of Saudi Arabia. We are expertise in the field of architectural and structural detailing, manufacturing, transportation, erecting, fixing and sealing all types of precast concrete elements. We offer complete construction solution, from the architectural and structural detailing produced by our Design Office, to the manufacturing, until the handing-over by our erection teams.

Our Plant operation follows strict safety and quality control procedures, that cover the whole process from detailing stage to handing over and maintain the high quality reputation of which we are proud.

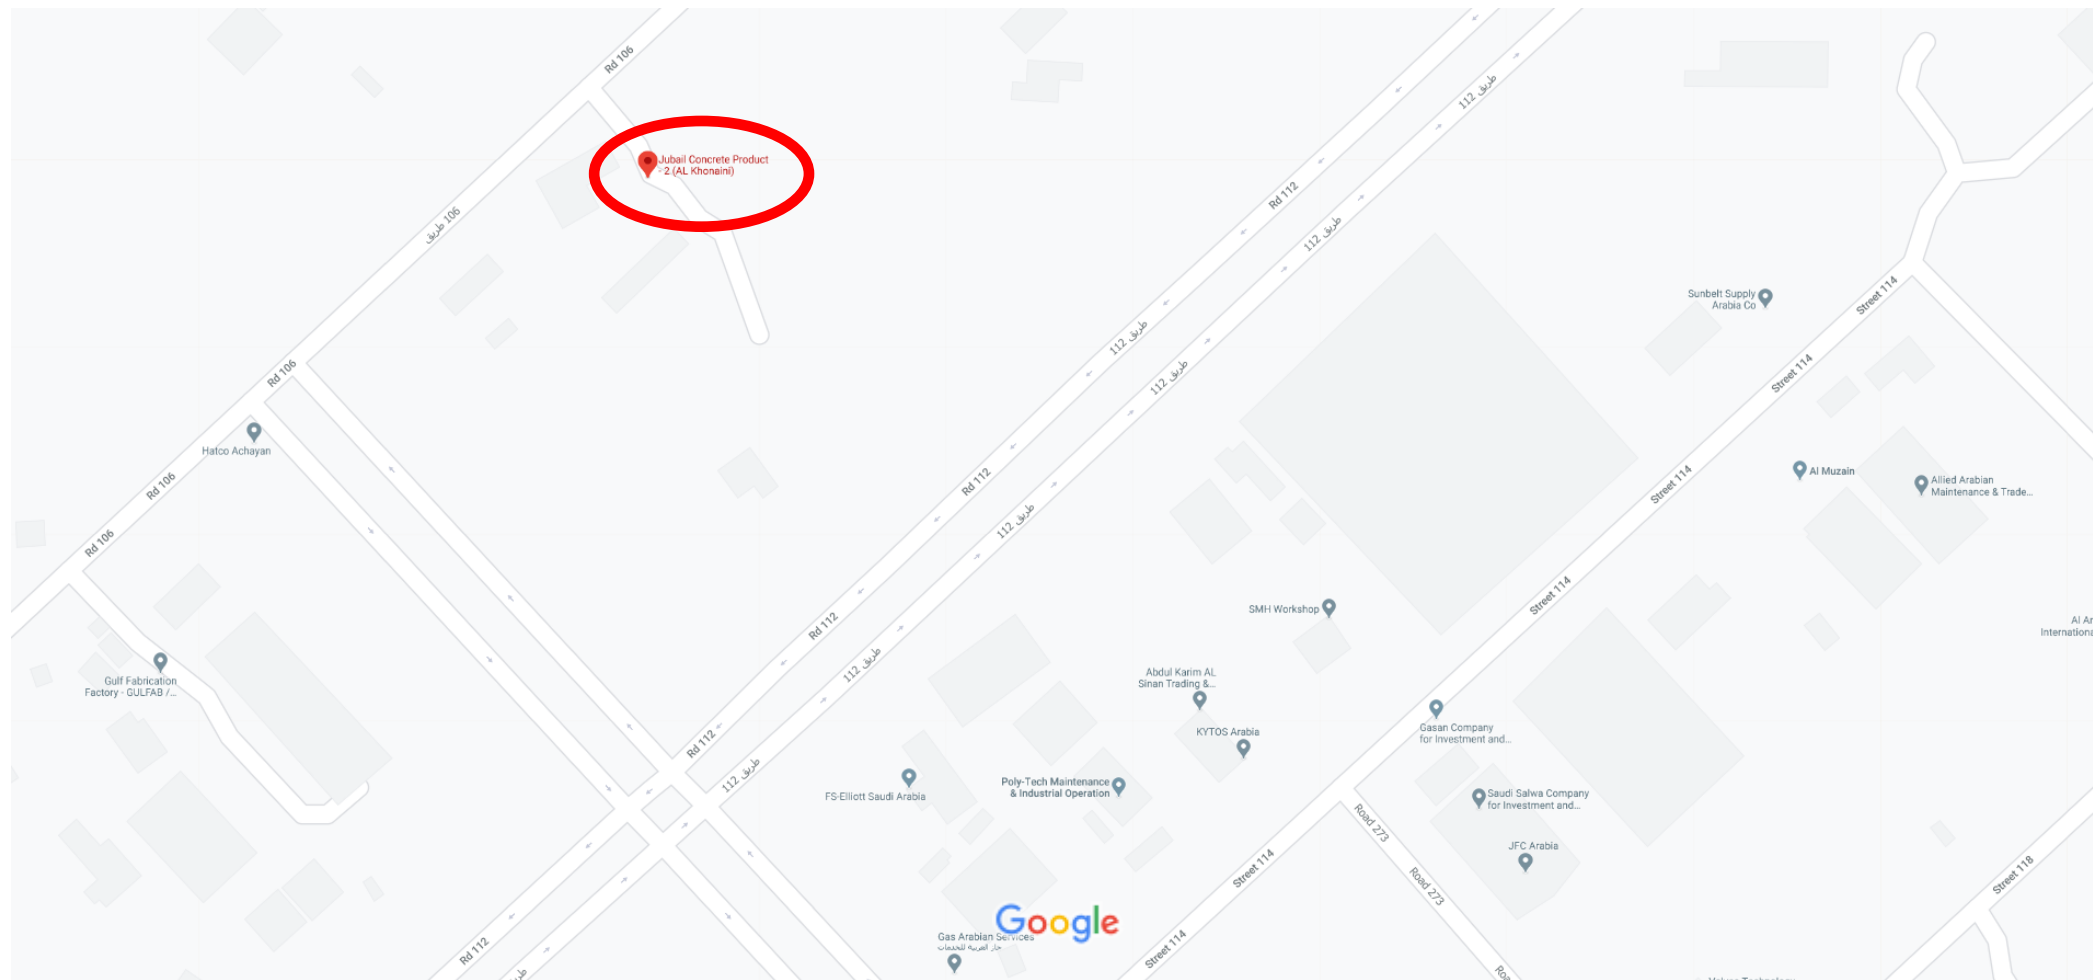

We believe that expert Human Resources is the key to both Customer Satisfaction and Quality Products. Therefore our employees and engineers are regularly being trained on both innovation techniques and quality issues.

Our Mission is to remain committed in consolidating and developing further our position on efficient and sound commercial principles whilst building up our reputation for Quality, Durability and Reliability. To adapt, change and introduce technological and managerial Innovations, Pursuing Quality and Productivity, in order to meet the needs and expectations of our Clients on time and every time.

Quality Policy of JCP Precast:

While seeking to develop our business on efficient and economically sound principles, **Khonaini Int'l Co. Ltd. "JCP Precast Division"** is at the same time building up a reputation for Quality, Durability and Reliability so as to stand out and expand in an aggressive and highly competitive market.

The Company recognizes that a positive attitude, good coordination and teamwork, promoting healthy and safe working conditions, as well as environment friendly production processes, are all essential elements in meeting the needs and expectations of our Clients.
